

## Spring Into Fresh Beginnings!

The winter frost is officially behind us, and it's time to shake off the dust. We are thrilled to announce our Annual Spring Cleanup, a community-wide effort to keep our community looking its absolute best. Whether you're planning a deep clean of your yard or tackling those long-awaited home repairs, we have the resources and incentives to help you get the job done.

---

## Cleanup Week: *May 18 – May 25*

To make your spring cleaning as easy as possible, we are providing a **roll-off container** at the park from **May 18th through Memorial Day Weekend**.

- **Declutter:** This is the perfect time to discard any bulky or unwanted items that have been taking up space.
- **Community Effort:** We'll be working alongside residents to ensure the entire park gets a fresh, clean start for the summer season.

---

## Home Improvement Special: May 1 – June 30

Looking to upgrade your home's exterior? We're making it more affordable than ever. For a limited time, the Gas Light Store is offering deep discounts on essential mobile home supplies.

- **The Deal:** Purchase replacement skirting, steps, and various repair parts for just 10% above our cost.
- **Availability:** Stop by the Gas Light Office to see our inventory and let us help you find exactly what you need to make your home shine.

---

## Refer a Neighbor, Save on Rent!

Know someone looking for a new place to call home? Our referral program is a win-win for everyone:

- **The Reward:** If you refer a new home buyer to the park, you will receive one month of FREE lot rent once the sale closes.
- **The Bonus:** Your referral will *also* receive one month of FREE lot rent to welcome them to the community!

---

## Community Wide Yard Sale

We're planning a community wide yard sale on May 16th, 2026 from 8 AM-1 PM. Please call Melanie with any questions at 724-237-0293. Let's make this one our biggest one ever!

---

# In Memoriam

It is with heavy hearts that we share the passing of two cherished long-term residents, Mr. Joe McAdams (resident since 1991) and Ms. Deanna Boyd (resident since 1994).

Together, they spent a remarkable 67 combined years as part of the Gas Light family. We, along with their family, friends, and neighbors, miss them terribly. We are deeply grateful for the decades they spent with us, and our thoughts are with their loved ones during this time.
